Dear Ms Kochath,

We welcome you to CASS Canada as a CASS Associate. CASS participation offers the advantage of presenting a standardized and consolidated invoice for all of your sales with participating airlines and settlement is by one single payment. To make this possible, we have circulated your company name to the airlines in CASS Canada.

You will need to include the CASS Associate Number issued to your office in the box named "Agent's IATA Code" on every AWB you issue with a date of 09 November 2010 or later.

Please access our website for additional information and documentation :
http://www.iata.org/worldwide/north_america/canada

IATA CASSlink system log-in page can be viewed with the following link: <https://casslink.iata.org/>

Please contact the CASS – Canada office, via our customer portal at http://www.iata.org/customer_portal_americas/ to obtain your user name and password so your office can start viewing reports as provided according to the CASS Calendar, please ensure to reference you CASS numeric code.

Please note that the settlement of old outstanding amounts or disputes via CASS requires the prior written agreement by both the airline and you. Preferably, this should be done outside of CASS.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Michael Guenther
